The Honorable Brenson S. Wase
Speaker of the Nitijela
Majuro
Republic of the Marshall Islands

Dear Mr. Speaker,

I was deeply saddened to learn of the recent fire that caused significant damage to the Marshall Islands' parliament building. On behalf of the Knesset of the State of Israel, I extend my heartfelt solidarity to you, the members of the Nitijela, and the people of the Marshall Islands during this difficult time.

Parliaments are not only seats of governance — they are symbols of national sovereignty and democratic life. The loss of such an institution is a hardship shared not only by your people but by democratic nations around the world who value the rule of law and representative governance.

Israel and the Marshall Islands enjoy a warm and enduring friendship. Please know that the Knesset stands with you and remains committed to strengthening the ties between our parliaments and peoples.

With sincere hopes for a swift recovery and the continued resilience of your democratic institutions, I offer you my deepest respect and support.

Sincerely,

MK Amir Ohana
Speaker of the Knesset
